

Fishing Spots

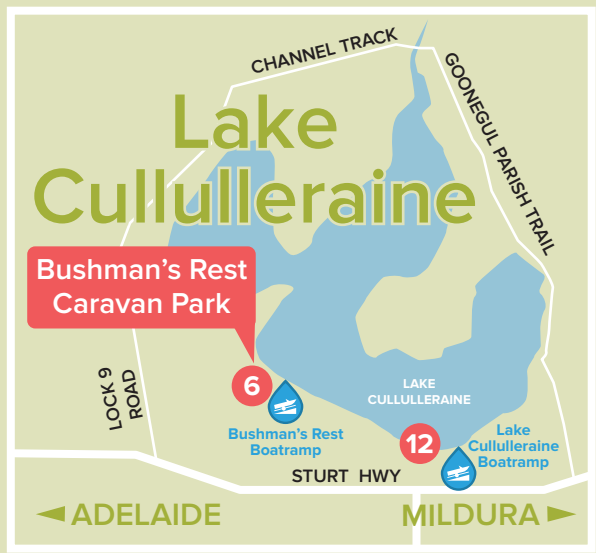

Recreational Fishing on the Murray River

Mildura is home to many freshwater fish species in the Murray-Darling Basin like golden perch, silver perch, redfin perch, European carp, eel-tailed catfish and the host of bait species. But the prize for many local and visiting anglers is the mighty Murray cod (fishing season 1 Dec - 31 Aug).

apply. A NSW fishing licence is required when fishing in the river, even if the angler is standing on the Victorian bank. A Victorian Recreational Fishing Licence is not valid for angling in the Murray River with the exception of Lake Hume.

At the present time, the whole of the Murray River is within New South Wales, therefore New South Wales regulations

For up-to-date information on NSW regulations, please refer to the NSW Fisheries website at www.dpi.nsw.gov.au/fisheries
